Table Service Dining FAQs

Gratuity

Gratuity is not included with the Dining Credits unless noted and is due at the completion of each Table Meal. Gratuity amounts are at your discretion for parties of 5 or less. Disney charges automatic gratuity for parties of 6 or more.

Children ages 2 and Under

Children ages 2 and Under are not included in Disney's Dining Plan. They can have their own plate at meals that are Buffet or Family Style or can share off your plate for meals where you each order your own entree for free. At meals that are not Buffet or Family style, you are also more than welcome to order something for your child such as a Kid's Meal or Side- you'll simply pay for this extra at the end of the meal.

Credit Card Hold

All Dining is secured through your My Disney Experience Account with a Credit Card Hold. Now is a great time to refer to the "You're Going to Disney" email I sent when you booked your trip to make sure you have a credit card properly linked in your account so that I can reserve your Dining Wishes. Your card is not charged at the time of booking unless otherwise noted. ***If you do not cancel your dining reservation in the 24-48 hour window as indicated by each dining confirmation that you receive once we make your reservations, your credit will be charged a no-show fee.***

Overwhelmed? Don't be! I'm here to help - ask for my suggestions!

Please note that some of the Dining Options do book up very quickly! I am always happy to repeatedly check on dining that's on your wish list and currently showing as unavailable; however, I can not guarantee that we will be able to find an opening for your preferred party size and date but am always happy to quickly figure out Plan B scenarios when available.

Table Service Dining Do's & Don'ts

- **DON'T** forget to tell your Travel Planner of any food allergies so that we can note them on your reservation.
- **DO** tell your server at the start of your meal that you are on the Dining Plan.
- **DON'T** forget that gratuity is due at the end of the meal. Disney charges an automatic 18% gratuity for parties of 6 guests or more.
- **DO** keep track of your dining credit usage both on the bottom of your receipts and on your My Disney Experience App.
